Dear Friends,

We are thrilled to share with you our FY23 Annual Report, highlighting the significant strides made through our strategic planning efforts aimed at advancing the mission of Community Connections (CCI) in empowering and supporting adults with intellectual and developmental disabilities (IDD).

Throughout 2021 and 2022 the board and executive team worked on a comprehensive strategic plan that will guide us through 2025 and beyond. The strategic planning team reached out to all stakeholders, distilled the feedback, and created a roadmap for the future of Community Connections.

Central to our strategic plan are three key pillars: quality, sustainability, and advocacy. These pillars, deeply rooted in our core values of inclusion, person-centeredness, safety, stewardship, respect, integrity, and heart, serve as the foundation upon which we continue to build our programs and services. We are committed to providing exceptional care and support, ensuring individuals' needs are met with respect, integrity, and heart.

Through strategic partnerships and innovative approaches, we secure our organization's future, enabling us to serve future generations while prioritizing staff well-being through competitive wages, a safe work environment, and comprehensive training. Advocacy remains at the heart of our mission, as we champion the rights and inclusion of those we serve.

As we reflect on our achievements and look to the future, we extend our deepest gratitude to all who have supported us on this journey. Your unwavering commitment has been instrumental in our success, and together, we will continue to make a meaningful difference to the people we serve, their families, and our communities.

Thank you for your continued support and dedication to our mission.

Summary of Strategic Plan

We are thrilled to share the exciting strides we've made at Community Connections through our Strategic Plan for 2023-2025. Our mission to support people with disabilities through quality services, sustainability, and advocacy is at the heart of everything we do, and this plan is a testament to our commitment to enhancing independence and inclusion for all.

Our strategic plan is built on three key pillars: Quality Services, Sustainability, and Advocacy.

Quality Services We are dedicated to delivering high-quality, person-centered services that evolve with the needs of individuals with disabilities. Our initiatives include:

- **Enhancing Community Engagement**: By initiating outreach programs and building stronger community partnerships, we aim to foster deeper connections and support networks.
- **Program Expansion and Innovation**: We are continuously developing new services and enhancing existing programs to ensure they meet emerging needs and promote inclusivity.

Sustainability Ensuring the long-term viability of our organization is crucial. Our focus areas include:

- **Financial Strategies**: Implementing robust financial management practices to secure funding and optimize resources.
- **Staff Development**: Offering ongoing professional development to enhance skills and retain our dedicated staff.
- Leveraging Technology: Utilizing technology to improve service delivery, administrative efficiency, and data management.

Advocacy Strengthening our role in advocating for the rights and inclusion of people with disabilities remains a top priority. Our advocacy efforts include:

- **Policy Advocacy**: Engaging in policy work to promote changes that support the rights and inclusion of individuals with disabilities.
- **Promoting Self-Advocacy**: Enhancing programs that empower individuals with disabilities to voice their needs and rights.
- **Strengthening Partnerships**: Collaborating with other organizations and stakeholders to amplify our advocacy efforts and create a unified front.

Our goals are clear:

- Inclusion: Promoting equal participation, enhancing self-advocacy, and ensuring policy inclusivity for people with disabilities.
- **Sustainability**: Ensuring financial health, enhancing workforce capabilities, and leveraging technology for operational efficiency.

This strategic plan outlines a clear path forward, ensuring that Community Connections remains a leader in supporting individuals with disabilities through quality services, sustainable practices, and strong advocacy efforts.

Thank you for being a part of our journey. Together, we can achieve great things and create a more inclusive and supportive community for all.

Employment Services

Matthew's Success Story

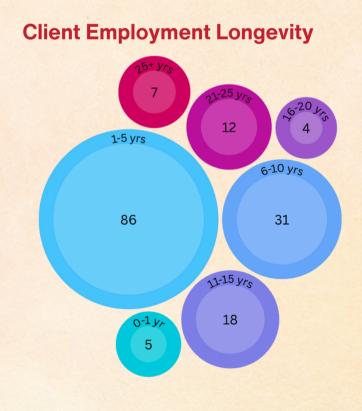

At the grocery store where he has been employed since 2018, Matthew worked his way up from bagger/cart retriever to cashier. This year he decided he once again wanted to upgrade his position to the Meat Department.

Matthew's Community Connections Employment Specialist helped him make the transfer between departments.

Matthew was able to use his natural supports to arrange transportation to and from work on Sundays with a coworker.

Matthew excels in his new position and has earned the respect of his colleagues. Matthew has also grown socially and participates in outings with his work friends, such as going out to lunch and team bowling nights.
